

ST. MARTIN POWER BOATS

F-15 w/Harley-Davidson® Crate Engine

Come Check it OUT!!! July 9th-11th

**Michigan's Debut!!!
Harbor Beach
2010 Maritime Festival**

If you miss the sound of your Harley-Davidson® motorcycle engine when you're on the water, your dreams are about to come true. St. Martin Power Boats has developed a revolutionary power system for personal watercraft. Our team of engineers have created a patent pending liquid-cooled system that's implemented on a Harley-Davidson® crate engine, coupled with an Alpha One sterndrive from Mercury Marine. This exciting new propulsion system is available NOW!!! **MSRP \$19,995**

248-240-9264

**Michigan's source for extreme
mini speed boats manufactured
by St. Martin Power Boats Corp.**
